

# *Our office is a Neurologic Relief Center*

We offer a non-invasive test that can alleviate the majority of your symptoms in 15 minutes for those who suffer with:

- Chronic Severe Pain
- Fibromyalgia
- Migraine/Headaches
- Reflex Sympathetic Dystrophy
- Trigeminal Neuralgia
- Parkinson's Disease
- Multiple Sclerosis
- Failed Surgery
- Rheumatoid Arthritis
- Post-Stroke Problems

This natural test can relieve the majority of your symptoms at the time of testing that can last anywhere from minutes to hours and sometimes days.
